

SEISEN-RYO

SINCE 1938

Situated at the foot of Mt. Yatsugatake with breathtaking views of Mt. Fuji, Seisen-Ryo is the perfect place for a relaxing stay with friends or family, a productive business seminar, a fun school trip or to recharge after participating in our many nature programs. Take a dip in our hot springs after a long day enjoying our famous soft cream and exploring KEEP's many shops and dairy farm.

Accommodations

New Lodge

By the window of your New Lodge guestroom, you can enjoy a panoramic view of the forest and the Kawamata Valley. Attached to the hot spring facility, the New Lodge has a total of 20 guestrooms in three different styles: our Japanese style room, Western style room with fireplace, and a two story Maisonette.

Original Building

Guests can experience the classic and warm atmosphere of the wooden interior in the Original Building. It promises a simple, cozy and relaxing stay. The Original Building, with its 35 rooms, has always been a favorite to many who prefer a charming, at-home feel to their stay.

Cottages

In the forest, just a short walk from the Original Building, are Seisen-Ryo's 14 Cottages. Guests will experience a relaxing time in their private cottage as they enjoy a fireplace or wooden stove in their own living room. Perfect for larger families or small groups.

Restaurants

Experience the Local Flavors of Yatsugatake with Your Five Senses

Healthy and delicious dishes are served in Seisen-Ryo's restaurants in the Original Building and the New Lodge. Our colorful and cheerful dishes attract everyone, even the pickiest of eaters. For breakfast, we offer western dishes like bacon and eggs and homemade bread, as well as Japanese style dishes for those who love rice and miso soup in the morning. Dinner is an enjoyable experience, making the most of local flavors by purchasing local, seasonal products from nearby farmers, promising our guests safer and environmentally friendly meals. End your meal by savoring our homemade sweets, especially the desserts made from Jersey milk from our dairy farm.

Make a reservation for breakfast and/or dinner before you arrive or when you check-in, whichever suits your needs. Ask our staff about meal times and we will be happy to assist you.

Hot Springs

"Seisen no Yu", a free flowing hot spring

Our hot spring facility located in the New Lodge features a source rich in sodium and magnesium carbonated water. It is a low osmosis, weak alkalinity, high temperature spring. It is considered one of the best in Japan for its temperature, quantity, and quality, which eases your mind and body, freeing you from your daily pressures, or providing a refreshing pause after enjoying a walk in the woods.
